2026 WAR EAGLES Track & Cross-Country SPONSORSHIP FORM

I am so excited to be back at Oak Ridge as well as continuing the success from our past years. Our athletes are excited about this upcoming 2024 season! We are reaching out to area residents and businesses with hopes of gaining financial support for the team. It is our goal to raise enough money, so these girls may compete at a top level, while enhancing the program at Oak Ridge High School. Your sponsorship will provide financial support for the track and cross-country program by funding such items as: **Entry Fees, Track Equipment such as poles for pole vault, shot puts, high jump mats, hurdles, Uniforms, sweats, spikes, etc.**

Our main goal of the program is to shape each girl into a successful student athlete where they can compete and be successful at the next level.
